

TRAINING PROGRAM

The Master Gardener Volunteer Program is a nationwide education program, and in New York State, consists of a corps of volunteers who are trained by Cornell Cooperative Extension in the science and art of responsible gardening.

Master Gardeners are volunteers from the community who enjoy gardening and use their horticultural skills and expertise to educate others. In return for their training, volunteers donate their time teaching the community about gardening and the environment.

For more information, contact Holly Wise, Consumer Horticulture Resource Educator. Holly's telephone number is below. Holly's email: hlw2@cornell.edu

If you do not see a topic you would like to hear, please let us know. We have many talented Master Gardener Volunteers that will fulfill your topic, Contact Holly Wise, 315 736 3394, extension 125.

REGISTRATION INFORMATION:

Speakers Bureau presentations are scheduled on a first come first serve basis. Please contact us at least four weeks prior to your event. You will be contacted when your event is confirmed. Cancellations must be made one week in advance. To arrange for a presentation, contact Holly Wise, Consumer Horticulture Educator at 315 736 3394, extension 125, email hlw2@cornell.edu.

COST:

There is a donation of \$25.00 per presentation. All donations are used to maintain our Parker F. Scripture demonstration gardens located at the Oneida County Extension. These gardens are used to teach future volunteers and the public at large about responsible gardening.
