

**Selected List  
of  
Vegetable Varieties for Gardeners  
in  
New York State  
2019**

(Revised 12/18)

Vegetable varieties listed in this report should be well adapted for New York State community, school and home gardens. It is recognized that varieties not listed here may be satisfactory or even perform better under certain conditions. We encourage gardens to rate the varieties at:

[vegvariety.cce.cornell.edu](http://vegvariety.cce.cornell.edu)

**Visit our Vegetable Varieties for Gardeners in New York State website** for detailed descriptions and some seed sources of more than 7,000 vegetable varieties including those listed in this report. Compare varieties, read ratings and reviews by fellow gardeners, and offer your own observations of which varieties perform best in your garden.

*Note: Future reports will be largely based on variety ratings from this site.*
